

Paso a Paso GitHub

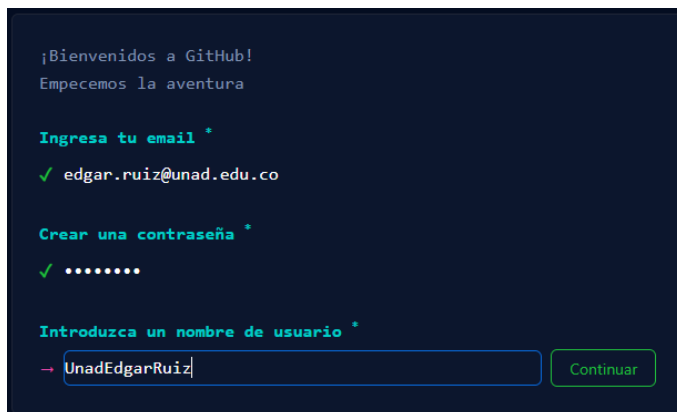

Requisitos: Tener instalado Git y GitHub Desktop

Paso 1: Crear cuenta

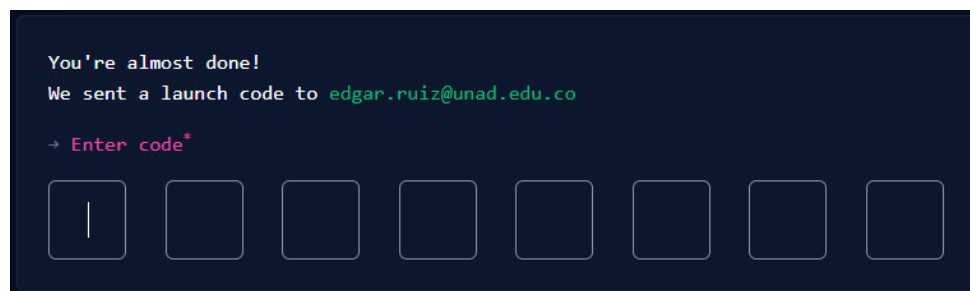

The image shows the GitHub login interface. At the top is the GitHub logo. Below it is the text "Iniciar sesión en GitHub". There are two input fields: "Nombre de usuario o dirección de correo electrónico" and "Contraseña". A link "¿Has olvidado tu contraseña?" is next to the password field. A green "Iniciar sesión" button is below the fields. At the bottom, there is a link "Iniciar sesión con una clave de acceso" and a link "¿Eres nuevo en GitHub? Crea una cuenta".

Paso 2: Crear contraseña y validaciones

The image shows the GitHub account creation interface. It starts with a welcome message: "¡Bienvenidos a GitHub! Empecemos la aventura". There are three sections: "Ingresa tu email *" with a green checkmark and the email "edgar.ruiz@unad.edu.co"; "Crear una contraseña *" with a green checkmark and a masked password "....."; and "Introduzca un nombre de usuario *" with a red arrow and the username "UnadEdgarRuiz". A green "Continuar" button is at the bottom right.

Paso 3: Login y diligenciar campos

This will help us guide you to the tools that are best suited for your projects.

How would you describe yourself?

☐ Student

☒ Teacher

☐ Working developer

☐ Other

How many team members will be working with you?

☒ Just me

☐ 2-5

☐ 5-10

☐ 10-20

☐ 20-50

☐ 50+
